

Corpus Christi A&M Mothers' Club Silver Dollar Request Form

Corpus Christi A&M Mothers' Club presents a Silver Dollar to area Aggie graduates commemorating their class year. As a member of the Corpus Christi A&M Mothers' Club, your Aggie receives the coin once they graduated (and walked the stage.) This is a special memento from the Club for your student to have for years to come. Every effort will be made to present the coin to the student and/or parents at one of the Club's events or meetings after they have graduated. By filling out this form, a coin is not automatically guaranteed or gifted and your membership will be verified.

Guidelines:

- ❖ Must be a Corpus Christi A&M Mothers' Club member for at least three (3) years.
- ❖ A fee to offset the coin cost will be assessed to those who have been members for less than three (3) years.
- ❖ Coins will be dated with the graduate's class year (same as shown on their Aggie Ring.)
- ❖ It is the parent's responsibility to notify Student Care Chairperson(s) when your student will be graduating.
- ❖ Coins are ordered only 1 time for the entire year (Spring, Summer and Fall graduations.)
- ❖ If Student Care is notified after a coin order has been placed, a fee will be assessed to offset the cost of obtaining older coins. If Student Care has trouble placing or obtaining older coins, the member will have to place their own order.
